Each award of funding and support will not exceed \$1,000.00 in total value (funding and in-kind support), or 50% of the total applicable costs to a maximum of \$1,000.00 – WHICHEVER AMOUNT IS LESS. In determining the amount of funding and support to grant, Council shall consider total budgeted expenditures for activities outlined in the application; fundraising and external funding commitments garnered by the applicant; the applicant’s contribution to the initiative or event (i.e. financial, in-kind and volunteerism); youth and family events and organization will receive preference; the impact on the Municipality, which can be measured by economic impact, number of attendees, length of the event, or overall value/significance to the community; the marketing value and opportunities being offered to the Municipality in exchange for any funding; the profitability of the event; other municipal grant funding provided to the applicant; any other factor that Council feels is warranted.

2. The impact of the initiative and its value to the community (e.g. volunteer contributions, anticipated attendance and why it is important to the community)

Grant recipients that do not provide adequate reporting will not be eligible to access future grant funding until the requirements have been fulfilled.**
