## Application for Dust Suppressant:

**Deadline: June 5 - APPLICATION FOR DUST CONTROL AND PAYMENT AUTHORIZATION**

I, \_\_\_\_\_ and \_\_\_\_\_, the registered owner or owner(s) of the following lands:

Address \_\_\_\_\_

Phone \_\_\_\_\_

do hereby request the Municipality of Crowsnest Pass to supply and apply dust suppressant on the portion of Municipal road, street or alley that runs parallel to the above property. It is understood that all costs associated with the supply and application of dust suppressant is the owner's responsibility and all invoices will be paid prior to the work being completed.

The Tendered cost to complete the above services had been determined by the Municipal operations department to be as follows:

Width of Road in meters X Length of road in meters = Sq. meters of road surface

Square meters of Road Surface X Liters/ Square meter = Liters required

Total Cost of Application: Liters required X Cost per Liter = Total Cost

**\*All prices include GST**

All Work will be scheduled by the Operations Department at its earliest convenience. **All invoices must be paid in full before work begins.**

\*All prices include GST the applicant recognizes roadways are subject to seasonal weather changes, traffic volume and vehicle weight. Extended dry and wet periods may have an adverse effect on this product's performance which may result in dust. If the area of the roadway to which dust control has been applied to develops pot holes or other evidence of deterioration, **it will be maintained (graded) as required at the sole discretion of the Municipality of Crowsnest Pass.** This may impact the effectiveness and life expectancy of the dust suppressant. The Municipality is under no obligation to respray the road surface.
