

LEAD WATER SAMPLE COLLECTION FORM

Homeowner & Occupant – Please Complete the Following

The collection of water samples will be used to determine the lead levels in your water at your tap. The personal information you provide is being collected in accordance with Section 33(c) of the Freedom of Information and Protection of Privacy Act, under the authority of the Environmental Protection and Enhancement Act, Potable Water Regulation 16 for the sole purpose of conducting the waterworks system lead survey of tap water. Please note that your tap water sample results and your address will be disclosed to Alberta Environment and Parks as part of required reporting under this program. By providing your tap water sample and personal information, you are consenting to this collection, use and disclosure.

This sampling effort is required by the Government of Alberta, Environment & Parks, and is being accomplished through a collaboration between the Municipality and the residents. Arrangements will be made with you, the customer, to coordinate the sample collection. Dates will be set for sample kit delivery and pick-up by Municipal staff.

If you have any questions about this program or the collection, use and disclosure of your personal information, please contact the Municipal FOIP Coordinator at 403-562-8833 or reception@crowstpass.com.

By signing, you understand the above consent request.

We appreciate your participation in the lead monitoring program.
