Application for Road Stabilization:

Deadline: June 30, 2025 APPLICATION FOR ROAD STABILIZATION AND PAYMENT AUTHORIZATION

I, _____ and _____, the registered owner(s) of Address _____

do hereby request the Municipality of Crowsnest Pass to supply and apply road stabilization on the portion of Municipal Road, street or alley that runs parallel to the above property. It is understood that all costs associated with the supply and application of road stabilization is the owner's responsibility and all invoices will be paid prior to the work being completed.

The Tendered cost to complete the above services is determined by the Municipal operations department to be as follows:

Width of Road in meters X Length of road in meters = _____ Sq. meters of road surface

Square meters of Road Surface X Liters/ Square meter = _____ Liters required

Total Cost of Application: Liters required X Cost per Liter = _____ Total Cost *

*All prices exclude GST

All invoices must be paid in full before work begins. Application of Road Stabilization will be scheduled by the Operations Department at its earliest convenience.

The applicant recognizes roadways are subject to seasonal weather changes, traffic volume and vehicle weight. Extended dry and wet periods may have an adverse effect on this product's performance which may result in dust. If the area of the roadway to which road stabilization has been applied develops potholes or other evidence of deterioration, **the road will be maintained (graded) as required at the sole discretion of the Municipality of Crowsnest Pass.** This may impact the effectiveness and life expectancy of the road stabilization. The Municipality is under no obligation to respray the road surface.
